

## OPTIONS

### Methods of installation

- attached by bolts to foundation

### Ashtray

- include

### Container

- galvanized steel container

## DESCRIPTION

The Simple litter bin is one of the most popular small architecture products. Its minimalist form fits perfectly into modern urban arrangements, as well as not disturbing the classic character of historic districts.

The 03.061.1 version of the bin is characterised by a top with a built-in ashtray.

The bin is available in two variants: - **Entirely made of stainless steel** - **With a construction made of painted carbon steel with a stainless steel container**

## GENERAL TECHNICAL DATA

### Weight

- 57 kg

### Dimensions

- width: 30 cm  
- height: 100 cm
