DESCRIPTION

The **stainless steel bench** B-bench is a variant of **wooden bench** with the number 02.010, which you can find in our catalog. **City bench** B-bench has an innovative design, which is based on thin tubes made of **stainless steel**. That gives it a modern, yet elegant character, which perfectly fits into **urban spaces**. B-bench is a **bench without a backrest** made of high quality steel. It can function both as **free-standing bench** and can be attached to the substrate with anchors. B-Bench certainly will be an ideal component of **urban architecture** in your area.
