Methods of installation

- free-standing
- attached by bolts to foundation

DESCRIPTION

Agawa 06.020 planter represents a unique range of planters which combine function and form with a unique polished finish of the stainless steel. A major benefit of stainless steel planter is that it will not rust and require minimal maintenance. Presented planter is available in a full range of sizes (from S-XL) and colours (RAL palette standard colours). Agawa planters are designed to coordinate with other items from the contemporary ZANO Street Furniture range. Agawa garden and street planter can be beautifully matched to stones, glass and modern furniture.
