DESCRIPTION

Flash swivel lounger is our proposal for the development of squares, parks or promenades. Because of rotating mount we can always turn to the sun. Flash lounger is a modern type of bench from the modern line, and the popular Flash series, characterized by a large number of wooden planks, delights with its ingenuity and workmanship. It is made of stainless steel, or black and the highest quality wood: spruce, pine or on special order exotic. It is fixed to the ground by means of anchoring.
