## DESCRIPTION

**Senior-friendly benches** are an important, often overlooked element of public space.

Senior benches should have appropriate angles of inclination, height, armrests and backrests.

**The 02.012.1 Soft bench** is a city bench that meets these requirements. It is characterized by original design and high quality materials. The bench can be ordered in several variants: **stainless steel** or **carbon steel** powder coated in any RAL colour. The back and seat are made of wooden boards. Wood to choose from: spruce, pine, sapeli, iroko, and meranti. More information about our wood can be found [HERE](#).

See other [Soft line furniture](#) such as tables, benches, seats and litter bins. A description of the whole line and individual products can also be found at the bottom of this page.
