- HPL

### Methods of installation

- embedded in concrete

## DESCRIPTION

---

**Table 13.046.1 Scandik** is a contemporary street furniture, ideal for catering outlets, restaurants, cafés, gas stations. It will also fit perfectly in the park. We can add three types of Scandik seat to the table: without backrest, with backrest and armrests (especially if we assume that the furniture will be used by seniors).

The table is made of steel (construction) and wood (table top). On request, we make the table in stainless or carbon steel, galvanized and powder coated in one of the available RAL colours. The table top is made in domestic or exotic wood. It is also possible to make the table top of laminate or steel.

## GENERAL TECHNICAL DATA
