## DESCRIPTION

Scandik 13.046 is a large outdoor table made in steel and wood. Designed for shopping malls, restaurants, schools. A large, solid table with a stylish look, with attention to detail during design and production.

The table structure is made of steel. You can choose to make the table in stainless steel or powder coated carbon steel in any RAL colour from our palette. On special request, we can paint the table in any colour indicated by the customer. The table top is made of domestic coniferous wood, however, on customer's request we can make the table top of exotic wood, HPL laminate, or the whole furniture including the top is made of steel. We can put one of the Scandic benches together with the table: **Scandik bench 02.046 with backrest**, **Scandik 02.046.1** with backrest and armrest.
