

OPTIONS

Methods of installation

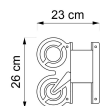

- attached by bolts to foundation

DESCRIPTION

The Kangu - **metal bicycle stand** is a modern city furniture designed for one bicycle. It has a characteristic, futuristic shape, which makes it stand out from other bicycle racks. At the base of the stand there is a cyclist's motif cut out in steel. The stand together with the Kangu repair station form a unique set, which will be perfect for example at an office building, school or shopping mall.

The Kangu bicycle rack is made of **stainless steel** 6 mm thick. Optionally, the bicycle stand can be made in **carbon steel** painted in the [RAL colour](#) indicated by the customer. It is fixed to the ground with anchors and screws.
